YEMEN

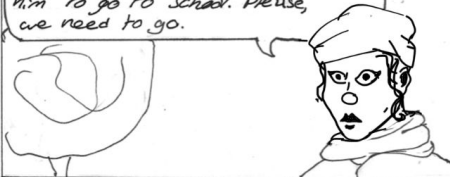

Breaking NEWS YEMEN TV

3 hours
later

Saleh I think we should leave the country, for the sake of our child, Hassan. It will be dangerous for him to go to school. Please, we need to go.

What are you talking about?! How can you think about leaving your own country?!

A few days
later

The conflicts and destructions are getting closer to the capital city Sana'a.

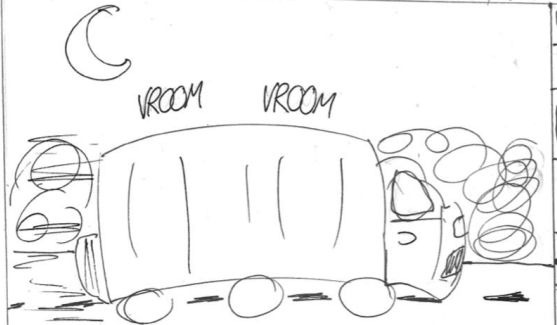

Maybe you were right. Maybe we should leave. The battle is getting closer to here, Sana'a.

A little later...

So are we ready to go?

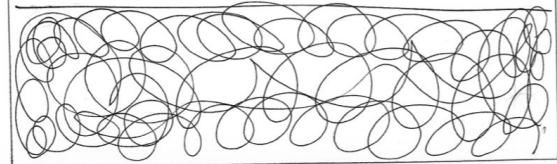

Yes, after all, living in a conflict zone isn't easy and this apartment might get destroyed.

VROOM VROOM

When they arrived

I can only bring you this far. You'll have to walk the rest of the way

After 8 hours
of walking

We've finally
arrived!

But we're
not out of
the woods
yet.

There are so
many people!

Well it might be
a good thing!
Safety is number one
as they say.

The next day...

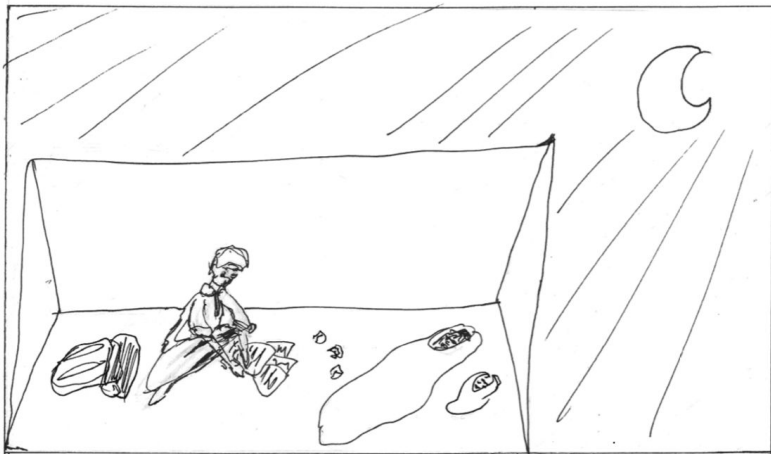

It won't be
possible to
stay like
this for
long. I'm
gonna start
filling in
application
forms...

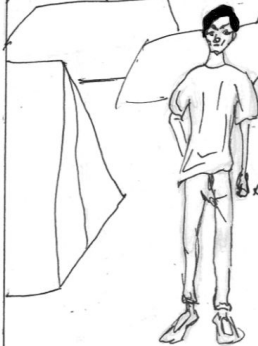

to send to different
countries, so that we
can seek asylum.

Indeed, it
is harsh living
like this.

One week later ...

I have tried all the countries that might host us but I have received no positive answers. This is a real nightmare! What'll we do ???

I guess we could cross the border illegally.

Yes ! It might be our only option right now. We should leave tonight. We'll have to travel light if we have any chance of making it.

Alim and Saleh
were packing
their bags

You have so many
things! You might have to throw
out some of them.

I know ...

Saleh,
Alim,
Hassan

Yes!

outside,
Just as they
were about
to leave...

Come over here
you three !!! I've
got great news!

You've all been
accepted in
Germany!

Please prepare
to leave soon!
😊😊😊

That's great!

Thank you
so much !!

Then the family moved in Germany

Still we're pretty lucky to have made it this far. And even if there will be tough times ahead, we'll get past them!!!

Everything is so different here, they don't even speak the same language as us.

After all we've already made it this far!
