

Turkey Refugee camps

By: Ines Allab

Information about Turkey and its refugees

- ❖ Turkey hosts the largest number of refugees in the world.
- ❖ There are 3.6 million Syrian refugees and around 320000 refugees from other nationalities. As demonstrated by these numbers, Turkey is one of the main places that refugees from Syria go to.
- ❖ To help people, Turkey was a part of the 1951 Refugee Convention and 1967 Protocol. All these actions and movements allowed Turkey to help refugees.

What did Turkey do to help the refugees? what makes them so special?

- ❖ To help them, Turkey made a variety of refugee camps everywhere in the country. This not only helped them immensely but also gave them a place to stay at, a home.
- ❖ Turkey tried to help them in a development oriented way such as helping them with more income, welfare (happiness, health and fortune) along with new employments.
- ❖ Turkey tries their best to help

TURKEY, THE HOST COUNTRY

Turkey hosts the largest number of refugees in the world. There are 3.6 million Syrian refugees and around 320,000 refugees from other nations' nationalities. As demonstrated by these numbers, Turkey is one of the main places that refugees from Syria go to. To help people, Turkey was a part of the 1951 Refugee Convention and 1967 Protocol. All these movements allowed Turkey to help refugees.

TURKEY, HELPING THE REFUGEES

To help them, Turkey made a variety of refugee camps everywhere in the country. This not only helped them immensely but also gave them a place to stay at, a home. To help the refugees even further, this country helped them in a development oriented way such as helping them with more income, welfare (happiness, health and fortune) along with new employments. Turkey also helps by creating new jobs for the refugees.

YOU CAN HELP THE SYRIAN REFUGEES

Here are some websites to help the Syrian refugees just like Turkey:
